January 12, 2016

Dear Sir/Madam:

This is a letter of invitation for Mr. Muzzafar Lone at the Department of Physics in the University of Kashmir for a visit to New York University Shanghai, in Shanghai, China.

During his visit, which is scheduled for February 1, 2016 to August 1, 2016, we will discuss our research project on non-Markovian decoherence effects of cold atoms and measurement theory. The costs of the trip will be covered by New York University Shanghai.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Tim Byrnes", written in a cursive style.

Tim Byrnes
Assistant Professor
New York University
