Dr. Neelima Alam
Scientist-F

F.No. DST/TM/WTI/2K16/248

Dated:08.06.2021

Sub: Extension of project “Study of pure and ion embedded iron oxide nanostructures for sensing and removal of Hazardous wastes from water.”

Dear Dr. G.N. Dar,

This has reference to your email dated:12.04.2021 requesting extension in duration of above referred project. Your request has been examined and Ex-post facto extension of project has been granted for twelve months up to 02.04.2021 without any additional cost. You are advised to accomplish all the activities and complete project in all respects within this period.

Yours sincerely,
Neelima Alam
(Dr. Neelima Alam)

To,
Dr. G.N. Dar,
Sr, Assistant Professor
Department of Physics,
University of Kashmir, Srinagar- 190011
