

**4-day workshop on
Data Analytics and AI in Physics and Astronomy
Department of Physics, University of Kashmir, Srinagar
October 7-10, 2025**

CALL FOR REGISTRATION

The IUCAA Centre for Astronomy Research and Development (ICARD), Department of Physics, University of Kashmir is organizing a 4-day workshop on Data Analytics and AI in Physics and Astronomy during October 7-10, 2025. This workshop is intended to introduce science students and faculty to modern tools like Artificial Intelligence and Machine Learning used in data analytics. Special focus and hands on exercises are more likely to include Physics and Astronomy applications.

Interested students/faculty are required to register for the workshop and submit their google form latest by September 24, 2025 on the following link:

VISIT <https://phy.uok.edu.in/Main/> go to Data Analytics WORKSHOP and in the drop down menu click REGISTRATION

Important dates:

Workshop Dates: October 7-10, 2025

Registration deadline: September 24, 2025

Selection information: September 26, 2025

Note: 1. There is no registration fee. Lunch and Tea shall be served on all days. Accommodation and transport cannot be provided. Please don't send any such requests.

2. For any really necessary queries, write to dataworkshopku@gmail.com

3. Registration does not guarantee selection. A screening committee shall prepare a selection list.

4. For further details, check the tab "Data Analytics Workshop" at the official website of the department of Physics, University of Kashmir.

**Prof. Manzoor A. Malik
(Coordinator, ICARD)**
