3-day workshop on
High Performance Computing
Department of Physics, University of Kashmir, Srinagar
May 22 - 24, 2024

CALL FOR REGISTRATION

The IUCAA Centre for Astronomy Research and Development (ICARD), Department of Physics, University of Kashmir is organizing a 3-day workshop on High Performance Computing from May 22-24, 2024. This workshop is intended to introduce science students (preferably 4th semester M Sc students) and faculty to high performance computing and provide some working knowledge of using HPC for specific tasks. Special focus and hands on exercises are more likely to include astronomy applications.

Interested students/faculty are required to register for the workshop and submit their google form latest by May 12, 2024 on the following link:

VISIT https://phy.uok.edu.in/Main/ go to HPC WORKSHOP and in the drop down menu click REGISTRATION

Important dates:

Workshop Dates: May 22 - 24, 2024
Registration deadline: May 5, 2024
Selection information: May 7, 2024

Note: 1. There is no registration fee. Lunch and Tea shall be served on all days. Accommodation and transport cannot be provided. Please don't send any such requests.
2. For any really necessary queries, write to hpcworkshop2024@gmail.com
3. Registration does not guarantee selection. A screening committee shall prepare a selection list.
4. For further details, check the tab "HPC Workshop" at the official website of the department of Physics, University of Kashmir.

Prof. Manzoor A. Malik
(Coordinator, ICARD)
