

Post Graduate Department of Physics University of Kashmir (NAAC Accredited A+)

REPORT ON PHYSICS ALUMNI MEET

The Alumni meet was conducted on 30th June 2022 in the Department of Physics. Almost 60 alumni working in different fields attended the meet. The alumni expressed extreme pleasure for giving them chance to visit the past loving memories and refreshing their bond with the Department as well as with the Institute. On the demand of alumni, we the Department of Physics promised the alumni to continue such practices on every year on 30th June. During the day long event the proceedings were conducted as under.

1. The program started with the recitation of holy Quran. Tarana of our university was played immediately after the recitation. Then Dr G.N. Dar Nodal Officer has welcome the guests and conveyed the theme of the meet.

2. Prof. Irshad A Nawchoo, Dean Research spoke about the research activities in the university. He also touched the importance of the alumni meet and highlighted various benefits of alumni meet.

3. Prof. Basharat A Want Head Physics spoke about the broad profile of our own department Physics. In his address he covered all significant issues, facilities, research aspects , teaching and much more right from the day of its establishment 1962.

4. Prof. M .Farooq Director Admissions highlighted some developments of the department especially when a senior alumni raised a serious question that this department neither had auditorium in 1970 and nor is it having it right now.

5. Latter on the session was thrown open for the audiences, who spoke their heart openly and narrated a long list of past events linked to this department and the institute as well.

6. In between the session was open for audience, various number of skits were presented by current M.Sc students for entertaining purpose.

7. At the end Dr Waseem Bari presented the vote of thanks.

The function concluded with a special lunch.
